

Email Reservations for London Correctional Visitation Department

We are now offering email as another option to make a reservation for the visiting department at London Correctional Institution. We are hoping this additional option will reduce the congestion on the phones and enable the visitors more opportunities to visit. Below is a list of information to reflect this change.

The Visiting Department is open **Wednesday through Saturday from 8:00am-6:00pm with the exception of Holidays.** All emails will be reviewed and responded to during these times.

The email address is: drc.visitationloci@odrc.state.oh.us
