\* Due to Parole Board Policies, release hearings occur 60 days before release eligibility to allow for placement planning.

\*\* Note that the Parole rate is now calculated in a new manner. Primarily, the projected release decisions are added back into the total consideration hearings. Projected release decisions are not considered a parole or release at the time of the decision. These parole rates should not be compared to those from August 1998 through December 2000.

^ Some cases can have key information missing and are in the total but not subtotals. ^^ Includes hearing dismissals for both Technical Violators and Post-Release Control categories.
