RE: 2017 Annual Jail Inspection

Dear Sheriff David Lucas:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Belmont County Jail, a full service jail, was inspected on 11/27/2017. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Belmont County Jail is 146. On the date of the jail inspection, there were 137 inmates incarcerated in the Belmont County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 146, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure.

The Belmont County Jail (Full Service Jail) is in compliance with 109 standards, 53 "Essential", and 56 "Important".

The Belmont County Jail did not comply with 6 standards, 0 "Essential", and 6 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-02 (B) (2) (Important) Each full service jail shall have written policies and procedures, and practices which evidence, compliance with the following standards: Violent and non-violent inmates are not placed in the same cell or

unsupervised areas together.

Comments: At the time of inspection, jail administration advised the Bureau that due to overcrowding issues (female) within the jail, the jail is not able to properly house inmates according to their classification(s). Although they try to accommodate classifications, they are not able to adhere to all specifications related to this standard. Adequate separation of violent from non-violent inmates by a minimum of touch shall be provided (separate confinement areas).

5120:1-8-04 (A) (4) Full service jails shall provide inmates with sufficient space. The jail shall maintain documentation regarding square footage and maximum occupancy figures for all housing and holding areas, and shall comply with the following minimum requirements: Dayspace: (Important) Thirty-five square feet per number of occupants occupying the dayspace at one time. Minimum size of one hundred five square feet.

Comments: At the time of inspection, temporary beds (boats) were used to assist with overcrowding in the Jail; affecting several inmate housing units exceeding the minimum square footage requirements for this standard.

5120:1-8-18 (A) (Important) Jail support staff with routine contact shall receive training in pertinent agency policies and procedures prior to or in conjunction with assignment to jail duties.

(1) During the first year of assignment receive twenty-four hours of training including legal aspects of corrections, basic security concepts, emergency preparedness, interpersonal communications, first aid/CPR, unarmed self-defense, and "Standards for Jails in Ohio."

(2) Two hours of in-service training each subsequent year of employment addressing specific job assignments and/or jail related issues.

Comments: At the time of inspection, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (B) (Important) Correctional officers shall receive training as follows:

(1) Training in jail policies and within sixty days of employment.

(2) During the first year of assignment, training consistent with Chapter 109:2-9 of the Administrative Code.

(3) Eight hours of in-service training each subsequent year of employment addressing specific job assignments and/or jail related issues. These training hours are in addition to training mandated by other standards.

Comments: At the time of inspection, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (C) (Important) Administrators and supervisors shall receive training in addition to the training specified in paragraph (B) of this rule as follows:

(1) Training in jail policies and procedures prior to assignment to jail duties.

(2) During the first year of assignment, forty hours of training including legal aspects of jail management, managerial principles, labor relations, and records/information management.

(3) Eight hours of in-service training each subsequent year of employment addressing special issues, skills-enhancement, and other assignment related topics.

Comments: At the time of inspection, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (D) (Important) Jail support staff with occasional contact shall receive training in pertinent agency policies and procedures prior to or in conjunction with assignment to jail duties.

Comments: At the time of inspection, the jail did not provide supporting documentation in order to evidence compliance for this standard.

The Belmont County Jail is in compliance with 100% of the Essential Standards and at least 90% of the Important Standards meeting the requirements of a "Compliant Jail". It should be noted however; the jail did not comply with 6 of the Important Standards upon which the facility was inspected. This letter is intended to serve as a basis for developing plans of action for bringing the facility back into compliance with the remaining deficiencies noted during the inspection.

The Bureau of Adult Detention encourages the jail to correct the remaining deficiencies noted in the inspection report prior to the next annual jail inspection. Plan of Action forms are enclosed and can be submitted through the Ohio Jail Management System (OHJMS) at www.OHJMS.Intelligrants.com. Feel free to contact the Bureau if you need assistance or clarification in this effort. The Bureau remains available to discuss the aspects of this report and to provide reference materials or assistance as desired.
